## V. Old Business

- a. Computer was delivered to the Secretary.

## VI. New Business

- a. Lydia recommended deleting the two year term for HOD Delegates from the CSH Bylaws. Ellen thought this change is appropriate and a simple change to make. We will vote on this at the next teleconference.
- b. Related to the above change is defining "good standing" in Article XI. Members agreed that Delegates should be active in the state or at the chapter level. We need to look at the NSH guidelines and redefine HOD Delegate preferred qualifications.
- c. Chapter Director job description by Ellen Gill. The current job description for Chapter Directors needs to be updated. All committee members are expected to prepare a report of activities, but the Director is not. They should be expected to report to the BOD what is happening at the Chapter level. Directors should be contacting their Chapter members, so contact information should be given to the directors. These reports could be put into the newsletter. Ellen would like a commitment to updating the Director job descriptions.
- d. Membership by Ellen Gill. The format for membership information needs to be standardized. The standardization would allow address labels and searches to be done. The membership list needs to be updated on a continual basis and sent out to the Chapters. Ellen referenced the format of the website. Jamie made the recommendation that since Rebecca has the format she could correlate applications and registrations and work with membership. Melinda asked that we send out reminders similar to the NSH and Jamie stated that we will be. Irving Ortiz was appointed Membership chair.
- e. House of Delegates Meeting by Jennifer MacDonald. Volunteers are needed for the HOD. Lydia and Melinda volunteered. Ellen is an alternate.

- f. San Joaquin Chapter merger by Janna Frey. Due to the lack of participation with the San Joaquin Chapter Janna proposed a merger with another Chapter, perhaps the Northern. Suggestions were discussed as alternatives. Janna will try to recruit more members from work. She is going to prepare a letter with the benefits of membership. If recruitment is not successful within the next two years she will propose a merger with the Northern Chapter. It was suggested that vendors could identify potential members.
- g. Other: Lydia suggested that we have a meeting on how to conduct a meeting according to *Robert's Rules*.
- h. Next meeting: Teleconference Saturday, July 30 at 10:30 AM.

Jennifer MacDonald made a motion to adjourn the meeting. This motion was seconded by Melinda Sokol-Hamilton. The meeting adjourned at approximately 7:38 PM.

Respectfully submitted,
